Circuit Board

ABB HIEE300024R4 UAA326 A04 is the circuit-board assembly identified by these markings on the photographed unit. This listing is for the individual board, with front, angled and rear views to help maintenance and purchasing teams compare the required spare. Retain both the HIEE ordering code and the UAA326 A04 designation when requesting a quotation; the short UAA326 name alone does not identify the complete item.
